**<sup>1</sup>Letter to Sponsorships**

We thank you in advance for taking the time out of your busy schedules to assist our mission, vision and goals. In order to give you an idea of our evolution to become **ESpiritE – Global Unity** let’s briefly explore where we came from. Our corporate profit side of the house is “WSDJ Radio Network & Management Services, Inc.; consists of over 30 years of professional experience from an array of industries within Business, IT - Telecommunications, Project Management, Radio Hosts, Music Industry, and so much more.

This range of experience, resources, and guests has now expanded itself to assist those in need all over our global community. We do this by reaching out to affiliates within the arena for causes and / or existing non-profits with their visions and ours. Just lending another hand in the scope of things whether that means to offer from our resources of guests, business associations, products and/or services, or an artist from our “Major Independent Artists” pool to donate their time and/or money.

The intent of this letter is to reach out to you as a sponsor to join our network of resources to assist in giving back to our global community for an array of causes and/or non-profit entities for needs in areas like:

- ✚ Education
- ✚ Returning Arts & Music to our educational curriculum
- ✚ Community Centers and Community Needs {i.e. Stop the Violence}
- ✚ Family Events at Skating Rings
- ✚ Homelessness
- ✚ Jobs and encouraging Entrepreneurial Dreams
- ✚ And so much more

**Below reflects an idea of the types of donated items on our wish list:**

- ✚ **Laptops** to assist additional staffing for “ESpiritE – Global Unity” about **10 Desktops** to assist educational, families in need, job and/or entrepreneurs to give them a break and a hand up
- ✚ Vans, SUV, and/or cars for community events to transport staff or those within the community
- ✚ Clothes and housing for the homeless
- ✚ Training for job seekers
- ✚ Founding for Arts & Music returning to school
- ✚ Venues to hold events, seminars {i.e. Skating Rings}
- ✚ Skates for kids in to enjoy skating events which would be such a joy for a child to have their very own

So, again we greatly appreciate you joining our team of networks to help develop nurture needs and dreams for a better tomorrow. If we all join hands one by one we can make a difference, because this statement is so true ***“It Takes a Village to Raise a Child”***.
